We make the difference.

That's what counts. For you and for your customers.

THERE ARE MANY GOOD REASONS IN FAVOUR OF SATELLITE OFFICE. HERE ARE 5.

- 1. Absolute premium standard.**
Always. Internationally renowned addresses in metropolises. The best location is always good for reputation and image. The main entrance is a highlight in itself and is always easy for your guests to find. Your company sign can be clearly visible in the main foyer on request.
- 2. Feel the difference.**
All Satellite Office locations have one thing in common: sufficient manpower. Pure service, for all your requirements. You will feel this service immediately. Every day! Multilingual, strong teams with excellent training provide quality service and make you more successful.
- 3. No a question of size.**
All Satellite Office Business Centres have a maximum area of 2,500 sqm. That is our positioning and concept. This is the only way to ensure that our high service standards can be realised. The number of meetings remains manageable. No open-plan offices, six workstations in the office is the end of the day. More space means more noise. Interior design, furniture, cleanliness... Only the best. This is how your own brand becomes a winner.
- 4. pureSilent®. Because strength comes from in tranquility.**
Deep Work for decision-makers who value peace, quality of life and lifestyle. See, hear, touch, taste, smell. Live and work with all five senses. Because our rooms, whether as headquarters or in combination with the home office, are your home. We live our overall philosophy for a better and more successful working environment. In times of transformation, our workspaces are the decisive advantage for focussed thinking and working, for meetings with results, for productivity.
- 5. You can rely on us. The Original. Successful for over 27 years.**
Satellite Office has been redefining the office world for decades. And sets the standards for the premium sector. Owner-managed, personal and independent. Benefit from these many years of experience and an immense business network of decision-makers at eye level.

„Casual. Luxury. Workspaces. Behind these three statements are a claim, a unique position and our performance promise to you. In turbulent and mobile times, we combine modern working environments and people with harmony, sustainability and quality. Welcome to our (service)world.“
